Login Page

A screenshot of a mobile application's login page. The page has a blue header bar with the word "Login" in white. Below the header, there are two input fields: "User Name" and "Password". The "User Name" field contains the text "123456". The "Password" field contains six dots, indicating masked characters. A red vertical line is positioned at the end of the password input. To the right of the password field is a grey button labeled "LOGIN". At the bottom right of the page, there is a red circular icon with a white envelope symbol. The status bar at the top shows "3G" signal, a battery icon, and the time "11:37". The bottom navigation bar shows standard Android icons: back, home, and recent apps.

Invalid Credentials

A screenshot of a mobile application's login screen. The screen has a blue header bar with the word "Login" in white. Below the header, there are two input fields: "User Name" and "Password". The "User Name" field contains the text "1234fh" and is underlined with a red line. The "Password" field contains five dots. To the right of the password field is a grey button labeled "LOGIN". Below the login button, the text "Credentials invalid" is displayed in red. At the bottom right of the screen, there is a red circular button with a white envelope icon. The top status bar shows "3G", a battery icon, and the time "11:39". The bottom navigation bar shows three icons: a back arrow, a circle, and a square.

Weather Forecast

The screenshot shows a mobile application interface for weather forecasting. At the top, a blue header bar contains the word "Weather" in white. Below the header, there is a text input field with the placeholder "Enter Location" and the text "Hyderabad" entered. A pink underline is visible under the input field. To the right of the input field is a grey button labeled "CHECK". Below the input field, the following weather data is displayed: "Temperature : 30", "Min Temperature : 30", "Max Temperature : 30", "Wind : 1.5", "Humidity : 33", and "Sky : Haze". In the bottom right corner, there is a pink circular button with a white envelope icon. The status bar at the top right shows "3G", a battery icon, and the time "11:38". The bottom navigation bar is black with white icons for back, home, and recent apps.
